Dear Ralph,

"We at the Aircraft Owners and Pilots Association are deeply saddened by one individual's self-destructive act in Austin, Texas, today, and hope that those hurt recover from their injuries quickly. We hope that the one individual not accounted for is found safe.

"It is important in the days ahead that we not overreact to this isolated act of suicide by a deeply troubled person and jeopardize the ability of hundreds of thousands of law-abiding U.S. citizens to fly. We need to let the parallel accident and law enforcement investigations proceed and not rush to ill-informed judgments or precipitous actions."

Craig L. Fuller
President, Aircraft Owners and Pilots Association

Dear Ralph,

Last Chance! Paper pilot Certificates expire on March 31, 2010.

Pilots cannot exercise the privileges of their PAPER pilot certificates after March 31, 2010. Certificates issued under 14 CFR Parts 63 and 65 will expire March 31, 2013. FAR 61.19 (h) reads: DURATION OF PILOTS CERTIFICATES. Except for a temporary certificate issued under 61.17 or a student pilot certificate issued under paragraph (b) of this section, the holder of a paper certificate issued under this part may not exercise the privileges of that certificate after March 31, 2010."

To obtain your new plastic pilot certificate, log onto web site: <https://amsrvs.registry.faa.gov/amsrvs/login.asp>. Fill out the form and pay the \$2.00 charge with a credit card. It should arrive in the mail within two weeks.

Thanks,

Larry G. Harmon

JOB ANNOUNCEMENT CITY OF EL DORADO, ARKANSAS SOUTH ARKANSAS REGIONAL AIRPORT GOODWIN FIELD – AIRPORT MANAGER

The El Dorado Airport Commission is seeking applicants for the position of Airport Manager at South Arkansas Regional Airport, Goodwin Field. The Airport Manager will oversee all airport operations in compliance with Federal, State, and Local regulations and will ensure the airport functions effectively and efficiently while maintaining the highest level of customer service. Essential functions include, but are not limited to: safe and efficient management/operation of the airport; refueling and revenue operations; administration of the development and promotional activities; budget preparation and monitoring; staff training and supervision; airfield inspection and maintenance; and coordination of seasonal grounds upkeep.

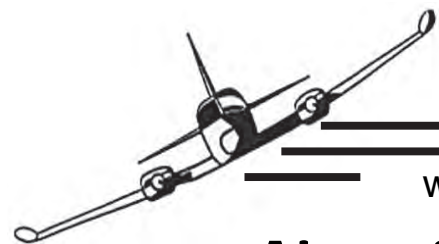

Applicants must possess strong organizational and analytical skills, communication skills, ability to interact with internal and external customers at all levels, and the ability to work a flexible schedule (some days, nights, weekends, and holidays). Required qualifications are valid driver's license, high school diploma or GED. Bachelor's degree in Aviation or Business Management is preferred. Competitive salary negotiable up to \$50,000 plus benefits. The City of El Dorado is an Equal Opportunity Employer.

Please contact Mayor Mike Dumas at El Dorado City Hall for a complete job description or go to www.goeldorado.com.

Applications will be accepted through March 15, 2010 at the City of El Dorado, 204 North West Avenue, El Dorado, Arkansas 71730, email (mayor@eldoradoar.org), or fax (870.881.4164).
